Safe Password
Booklet Y3-4

NAME: ________________________
GRADE: ________________________
What is a safe password?

Brainstorm what makes a password safe. Write each idea on a different post-it note.

Sentence starter: A password is safe if it ___________________
SAFE PASSWORD TIP #1

Make it long! Have 8 characters.

Write down 3 passwords you could use that are 8 characters long.

PASSWORD 1

PASSWORD 2

PASSWORD 3

Use symbols like @, ! or #

If it is long it is hard to guess.
SAFE PASSWORD TIP #2

Use capital letters, numbers, and symbols in your password.

Write down 2 capital letters, 2 numbers and 2 symbols you could use in your password.

Capital Letters:

Numbers:

Symbols:

Why? Capital letters, numbers & symbols make it harder for others to guess.
SAFE PASSWORD TIP #3

Don't use your name or your pet's name.

Your turn: highlight or underline a word from each list to make a password. Record your words in the boxes below.

List 1
• cat
• dog
• bird
• lion
• tiger
• bear
• panda
• rabbit
• cow

List 2
• red
• blue
• green
• yellow
• orange
• purple
• pink
• black
• white

List 3
• pizza
• burger
• tacos
• sushi
• donut
• cake
• mango
• apple
• cheese

Why? Your name or a pet's name makes your password easy to guess.
Guess the password.

Here are some commonly used passwords. These are VERY easy to guess. Have a go! Fill in the missing characters.

a __ c __ 2 __ 4
P__ __ __ w __ r d
1__ __ __ 5 __ 7 __ 9

1__ __ __ 2 3
q w __ r __ y
m __ n __ ey

Check your answer. How many did you get right? __ / 6
Make a safe password.
